THE TIME IS NOW

Register Subject Matter Experts with the ISAGCA Speakers' Bureau

We're inviting subject matter experts from ISAGCA member organizations to join the ISAGCA Speakers' Bureau.

Benefits to the Member Company

- Increased visibility for subject matter experts, translating to added individual brand credibility (even though content is agnostic)
- Hands-on, meaningful way to contribute to the efforts of the ISAGCA
- Many subject matter experts are already on the speaking circuit, so to speak, and this maximizes their time investment
- Potential to speak at events that don't typically feature vendor or provider companies
- Extra touchpoints with current and prospective clients

Are you a woman working in ICS cybersecurity?

We're starting a women's division of our Speakers' Bureau to highlight the great work you're doing and to inspire the next generation of ICS cybersecurity leaders. It's a win-win! Sign up today!

Benefits to the Individual

- Ability to personally contribute to the ISAGCA mission
- Elevate personal brand and showcase expertise
- Recognition as a speaker before and after event in social and promotional channels
- Opportunity to engage conference audience and program committee, increasing invitations to speak at future events
- Registration is simple. Visit: isa.org/isagcaspeakersbureau
- ISAGCA staff will work with speakers on presentation material, logistics, and communication with the event representatives
- Additional opportunity to add other areas of expertise to your profile so that ISA can reach out to you for other speaking engagements, content features, etc.

To register speaker(s) for the ISAGCA Speakers' Bureau on behalf of your organization, visit: isa.org/isagcaspeakersbureau
